

REMARKS

Claims 7-9, 11 and 21-22 would be allowable if rewritten or amended to overcome the objections set forth in paragraphs 5-7 of the Office action. Applicant's attorney thanks the Examiner for the suggested claim language in paragraph 7. This language has been used in the amendments to Claims 7-9, 11 and 21. Claims 7-9 and 11 have been rewritten in independent form, including the language of all intervening claims. It is respectfully submitted that Claims 7-9, 11 and 21-22 are now allowable.

The title has been amended to be more descriptive of the claimed subject matter. If the Examiner feels that another title is more suitable, it is respectfully requested that applicant's attorney be informed so that a better descriptive title can be used.

In view of the foregoing amendments and remarks it is respectfully submitted that Claims 7-9, 11 and 21-22 are now allowable and that the informalities of the claim objections have been resolved. Favorable reconsideration is respectfully requested. The claims of Group I have been amended to better direct the Examiner's search. Applicant looks forward to an action on the merits of the above claims and the allowance thereof.

Respectfully submitted,

By /W. Brinton Yorks, Jr./
